

**Casei Corpului Didactic Teleorman
Romania**

Casa Corpului Didactic is the main public state institution in Teleorman County Romania.

Based on the National Education Law, it is considered as a resource and educational and managerial assistance center for teaching and auxiliary staff, the multiple and complex functions it has assumed contribute to the fulfillment of the legal provisions included in the new legislative framework in a better defined context from all points of view: political, economic, social and technological.

Casa Corpului Didactic Teleorman creates an institutional environment in which teachers can develop their specific skills, managerial skills, creativity in the field of didactic profession.

The slide features a white background with abstract, overlapping green geometric shapes on the right side. These shapes include triangles and polygons in various shades of green, ranging from light to dark. A thin, light gray line also extends from the top right towards the bottom left, intersecting the green shapes.

The mission of the institution is to promote innovation and reform in education, to provide a framework for the personal and professional development of pre-university education staff in correlation with professional standards for teaching, quality standards and professional skills, in line with policies and national education strategies.

▶ **Casa Corpului Didactic fulfills more roles:**

CASA CORPULUI DIDACTIC coordinates and is a partner in the organization of scientific, methodological and cultural activities for the teaching staff.

We believe that these activities (educational projects, symposiums, competitions) have fallen on the exigencies of the actors involved. The target groups involved were a broad geographic area, activities of a county, regional and national nature.
