INNOMATH: Innovative enriching education processes for Mathematically Gifted Students in Europe

Reference number: 2019-1-DE03-KA201- 059604

Implementation period: September 2019 – August 2021

Module Number and Area/ Topic: 6. Presentation and Communication Skills

No.	1
title:	Communication type test
group goal	reducing the distance, getting to know each other better, warming the atmosphere
educational goal:	getting to know your own style of communication
introduction:	The purpose of this exercise is to show the differences between people in terms of communication.
instruction:	We are now handing out worksheets with questions about the types of communication. It is your job to answer them according to you. You have 5 minutes to do this. (After 5 min): Now get in pairs and tell yourself about your impressions, results, and what you think is your communication style.
discussion:	(A brief overview of each type of communication.) Anyone want to share their result with the group? If not, how do you think the advantages and disadvantages of using each type of communication may be?
approximate duration:	20 min
comments:	
appendix:	communication styles and types of behavior.pdf
