1. Make sure your laces are tied.
2. Check what time it is
3. Check (without getting up from the chair) what other training participants are doing.
4. Count how many lamps are in the room.
5. Ask an observer what he is doing tonight.
6. Ask the speaker a question that relates to the story in exercise one.

Exercise 2.

For 4 minutes, your partner will tell you about an incident. Give your partner all your attention. Make him feel that you are listening to him with great interest: nod, ask questions about what he is talking about. At the end of the conversation, say what interests you the most. What do you agree with, what did you like best.
